### CHARTERED BUS ~

When possible, we are pleased to offer chartered transportation between home and camp. In recent years, this convenience has become significantly more expensive, and as such, many parents have been opting to drive their kids. The good news is that the cost of the bus did not increase this year... although it remains true that cost is an unfortunate reality of making this service available. If you choose to use the charter bus, I ask that you please register by February 6<sup>th</sup>. I must have confidence in a certain minimal number of people in order to make it work. If we do not get enough campers on the bus to afford it, I will contact those that did sign up so that alternative plans may be considered.

### ARRIVING BY CAR ~

If you are driving your child to Ski & Snowboard Camp by car, please plan to arrive **AFTER 3:00pm**. Before that time we will be setting up for camp and dormitory rooms may not yet be ready. We also may not have staff available for camper supervision. If you would like to enjoy King Pine facilities with your child earlier in the day, tickets may be purchased in the base lodge at the guest services desk. Staff will be on duty at camp after 3:00pm to greet arrivals and assist campers with moving into their rooms.

### ON THE LAST DAY OF CAMP ~

Sadly, camp will inevitably come to an end, although we don't like to think about it until we have to. For those of you transporting by car, please collect your children sometime between breakfast and 11:00AM.
