FREESTYLE TERRAIN AREAS

Freestyle Terrain areas are designated with an orange oval and may contain jumps, hits, ramps, banks, fun boxes, jibs, rails, bump terrain and other constructed or natural terrain features. Prior to using Freestyle Terrain, you are responsible for familiarizing yourself with Freestyle Terrain and obeying all instructions, warnings and signs. Freestyle skills require maintaining control on the ground, and in the air. Use of Freestyle Terrain exposes you to the risk of serious injury or death. Inverted aerials are not recommended. You assume the risk.
