There is only one class, everyone competes together. Boys and girls, skiers and riders and adaptive athletes are all included.

How can I do it? To participate, you must first compete in one of the King Pine qualifiers, January 14 or January 21. Our crew will invite 10 kids from each event to compete in the King Pine finals on January 29.

Don't miss your chance... A winner and a parent will be sent to Killington, VT to represent King Pine in the national finals, which will be televised on NBC! Contestants must be 9-13 years old (born 1992-97) to compete.
